LIVESTOCK MARKING PRODUCTS

ABOUT LA-CO/MARKAL

Our Products

From a simple but brilliant idea – putting paint into a convenient hand-held marker – to an array of thousands of products, LA-CO®/Markal® has led the way in marking, plumbing chemicals and livestock identification technology for over 70 years. With the development of unique specialty chemical products that meet demanding industrial applications, the LA-CO® and Markal® brands have become the leaders in the industries they serve.

LA-CO is a performance-based company. Performance in the products we manufacture; in the service to our customers; and in our people, who are our most important resource. Our company's success has been founded on the belief that first and foremost we listen to our customers. Once we find out their future needs, then we can develop high performance products that meet or exceed those needs. We continue to make extensive investments in new equipment and manufacturing processes and in new product research to meet the ever changing needs of our customers. Today LA-CO® & Markal® branded products are sold through over 6,500 distributors around the world in over 30 countries. This extensive distribution network allows us to provide the highest level of service to our customers.

Our Mission

“To actively listen to our customers and meet or exceed their expectations by providing the highest quality performance products for marking, sealing, joining and other chemical specialty applications. To be environmentally responsible in the design and manufacture of our products. To promote the growth and well-being of our employees.”

Proven Every Day // Proven Everywhere®

Our People

LA-CO's employees are our most important asset. They conduct the research for new and better products, maintain the high quality level of our products and provide fast, efficient customer service to all our customers. Without them, we could not maintain the leadership role in the marketplace that we enjoy today. Their experience, dedication and hard work will ensure LA-CO's future success.

SOLID PAINT LIVESTOCK MARKERS

Real paint in stick form.

In the early 60's LA-CO created All-Weather® Paintstik® livestock markers to work safely on all types of livestock. This special paint formula is a proven economical way to temporarily identify animals for healthcare and reproduction protocols. In 1990 we added the Twist-Stik® livestock markers to provide the convenience of a twist-up holder to keep hands and clothing cleaner and allow the entire use of paint from each marker. The non-toxic paints provide a bright, easily

identifiable mark on all types of animals in all types of weather conditions. For economy and ease of application, All-Weather® Paintstik® and Twist-Stik® markers are an excellent choice for your livestock identification needs.

ALL-WEATHER® PAINTSTIK® Livestock Marker

- Real paint for long-lasting identification
- Resists weather and fading
- Non-toxic, safe for all animals
- Marks on wet or dry animals, ideal for sorting, grading, inoculation, identification, etc.
- New high-visibility fluorescent colors available
- For use with healthcare and reproduction protocols
- Unit packaging: Packed in one dozen display box
- Assorted box contains 3 each - Red, Blue, Green and Orange
- Uses the Ultimate™ holder (p. 11)
- Size: 1" x 4"

SPRAY LIVESTOCK MARKERS

Fast, cost-effective marking.

For fast, economical marking of large numbers of livestock at one time, nothing beats a spray marker; that's why we offer both All-Weather® Stock Shot® and Quik Shot®. Stock Shot® is a spray dye in a premix or concentrated form that provides the most economical way to mark a pen full of animals quickly and easily. The high-intensity colors are long lasting and offer better visibility on all colors of animals. The Quik Shot® aerosol spray paints provide the convenience of pressure spray paint (upright or inverted) to meet your particular needs. The high-visibility colors provide immediate visual identification of all livestock types, including hogs, cows and sheep. For convenience, fast application and large marking runs, one of the All-Weather® spray markers may be the best choice for you.

ALL-WEATHER® STOCK SHOT® Spray Dye Livestock Marker

EAR TAG & FELT-TIP MARKERS

Permanent identification.

LA-CO offers a complete line of permanent ink markers for ear tags and other items around the farm that need marking. The All-Weather® Plastic Ear Tag Markers come with a medium tip in two colors, black and white. Both colors are designed to work with all brands of polyurethane ear tags. They actually etch into the plastic surface of the tags to provide a permanent bond with the plastic for long-lasting identification.

LA-CO also offers a complete line of felt-tip ink and paint markers in a wide variety of colors for marking all types of materials, including plastic, metals, wood, cardboard, glass, rubber and paper. These fast-drying, weather-resistant markers are ideal for marking equipment, tools, containers and anything else you can find around the farm.

Tip sizes vary from a micro fine tip to a jumbo chisel tip to meet all your marking needs.

EAR TAG & FELT-TIP MARKERS

VALVE ACTION® PAINT MARKER

Marks in Real Paint

- Marks with real paint, dries in 3 minutes
- Long-lasting weather-, water- and UV-resistant marks with better, brighter coverage compared to ink markers
- Marks on all surfaces including: metal, wood, glass, plastic, rubber, cardboard and paper
- Durable, 3mm-thick nib permits fine line marking or bold, thick marks visible from long distances; fiber nibs are replaceable to increase marker life
- Improved "flowmatic" valve releases paint on-demand for smooth, continuous use

- Sturdy metal barrel featuring stronger crimped barrel design prevents leakage while withstanding heavy industrial use
- Vapor-lock cap seals nib to prevent tip dry-out
- Lead-free paint meets California VOC regulations
- Marking range: -50°F to 150°F (-46°C to 66°C)
- Self-storing cap

ASSORTED FARM PRODUCTS

Makes your
job easier.

From hand cleaners to duct tape, LA-CO offers you a lineup of high performance products for your maintenance needs around the farm. LA-CO Lifter® hand cleaner has proven itself on the farm for over 20 years. The greaseless formula contains pumice for deep cleaning action that even takes animals' odors off your hands. Lifter® wipes pre-moistened towels provide the convenience of cleaning your hands when there is no water available. The citrus-based formula removes all types of dirt and grime and leaves your hands soft without that sticky feeling. The Ultimate™ holder is made from unbreakable plastic and is designed to hold the All-Weather® Paintstik®. It keeps the hands and clothing clean and allows full use of the Paintstik® marker.

ASSORTED FARM PRODUCTS
